Recessed lighting has been updated throughout the home, and the sleek kitchen ceiling fan is hardwired for convenience. Just off the kitchen is a bar cabinet with storage

and lightingâ€”ideal for entertaining.

The main level offers a well-appointed guest suite with an en suite bath, perfect for multi-generational living or visiting guests, along with a main-level laundry center. Every closet in the home has been outfitted with custom built-ins, adding functionality and organization.

Upstairs, retreat to a spacious primary suite that opens to a private deck and showcases a completely remodeled spa-like bath. Designed with relaxation in mind, the bathroom features a freestanding MTI soaking tub, quartz countertops on the dual sink vanity, a spacious walk-in shower with dual rain heads and handheld wand, a waterproof privacy blind, and upscale Restoration Hardware towel bars and accessories. Enjoy a walk-in closet with built-in storage and a sitting area. Two additional bedrooms on the upper level include one with deck access, ideal for a home office or private retreat. A full hall bath completes the upper-level layout.

Outdoor living is enhanced by a decorative vinyl privacy fence, a handsome paver patio, lighted steps, and uplighting for three trees to elevate evening ambiance.
