KINGS MEADE, Columbia, MD

Tucked at the end of a peaceful cul-de-sac in one of Columbia's most appealing locations, this cherished residence has been lovingly maintained by its original owners for over 35 years and thoughtfully updated for modern living. Fresh landscaping and curb appeal set the tone, and carefully refreshed details welcome you inside.

Step into a main level adorned with hardwood floors that flow through much of the space, complemented by crown molding in the formal living and dining rooms. The kitchen shines with crisp white cabinetry, sleek new quartz counters, a new sink, and stainless steel appliances. Stretching 40 feet long and adding an impressive 400 square feet of living space, this four-season sunroom is fully insulated, heated, and lined with 8 sliding glass doors, creating an airy retreat year-round. With two additional sliding glass doors with integrated blinds, the sunroom connects seamlessly to both the breakfast room and family room, making it a centerpiece for entertaining and everyday enjoyment.

The family room offers warmth and character with a newly relined fireplace, and chimney cap, as well as custom built-ins. A powder room completes this level. Upstairs, the primary suite features a dressing area with built-in vanity and a beautifully renovated en-suite bath, recently updated with a

floor-to-ceiling subway tiled shower and stylish finishes. Three additional bedrooms share a renovated full hall bath with a soaking tub and comfort-height vanity, with a granite counter. The lower level expands the living space with a recreation room finished in luxury vinyl plank flooring, along with a storage room that houses the utilities, laundry, and workshop space. Outdoors, a paver patio overlooks a serene backyard shaded by mature trees, offering a peaceful spot to relax.

Practical updates provide peace of mind, including a roof installed in 2014, HVAC system in 2016, water heater in 2019, and windows in 2012. With no CPRA and no HOA, this property offers freedom and value rarely found in Columbia.
